

Premios Fox Sports Golf Classic

Written by Administrator

In 2009, the Ganley Foundation became the official charity for *Premios Fox Sports*, an international, Spanish-language award show honoring the best achievements in Latin American sports. This honor allows the Ganley Foundation to share its mission and message of awareness to over 30 million households in the United States and Latin America. The Ganley Foundation is grateful to Fox Sports for this extraordinary opportunity to further share our message of hope throughout the world.

As part of the annual festivities, the show's organizers host the Premios Fox Sports Golf Classic, uniting local supporters, international talents, professional athletes, and Fox Sports team members for a charity fundraiser benefitting the Ganley Foundation. This tournament accompanies each year's show in its destination city (previous locations include Miami Beach, Mexico City, and Buenos Aires). This outing is held each year the day before the Award Ceremony.

The 9th Annual *Premios Fox Sports* will be airing LIVE from Cancun, Mexico in December. For more information, please visit the [Official Premios Website](#) when it launches in November.
